

Chapter 3 – What is “Long Hwa Ker Chi Shiu Dao Fa”

Long Hwa Kur Chi Shiu Dao Fa (龍華科期修道法) is a textbook authored by San Yuan Lao Tzu (三元老祖) and transcribed by Zhen Shuan Huang Shi Fu (真玄皇師父) for the Wu Ji Tian Ling (無極天靈) to cultivate their souls. It is also a study guide for Wu Ji Tian Ling to purify the souls so they can return to their origin in Wu Ji Heaven. The soul is depending on the body to meditate to form a chi body so it can escape the calamity. It is also relying on the physical body to acquire merits through doing good deeds, and passing the tests from Wu Ji Wu Yuan (無極五元) so it can return to its origin. Whatever the good deeds performed and merits gained by the physical bodies are shared by their souls. In order to follow the right path and cultivate our souls, the origin of our souls must first be identified. Since we came from the same level of our soul's master, once the identity of our soul's master is confirmed, the origin of our souls can also be confirmed.
